Serve as Assessors.

Commissioners Barred From Doing the Work.

New Bridges Will be Built by City.

Delegates to Convention of Municipalities.

Speed Ordinance Tabled—The Council Proceedings.

When the matter of appointing a board of freeholders to assess damages on Johnston st. came before the City Council Tuesday evening Mr. Carlton asked why the Commissioners couldn't serve on such boards and thus do away with considerable expense.

To Mr. Carlton's question, Solicitor Egarte replied that it would not be in accordance with the law for the Commissioners to act on boards to assess damages claims. He also said the Commissioners may name the members of assessing boards and the Council vote in the matter of selecting them.

This information was satisfactory to all, and the resolution to appoint the board passed. Committee named: B. F. Clark, Jas. Hallinan and Henry LeRoy.

Citizens Petition.

Citizen George Crisp was present and objected to any measure that would in any manner retard the work of improving Johnston st. He was opposed to the appointing of another board to assess damages on the street.

Ivan Myers, of Broad st., was present and asked that he be exempted from liability to pay the auditors' fine, which would occur in event of his not meeting tax payments to construct the sewer on Broad st. He also asked for time in which to watch certain developments of the improvement. His petitions were granted.

Bridges.

Mr. Brady made a motion that the matter of building a bridge across the canal, between Bartiges and Exchange st., be referred to the City Engineer and Improvement committee. Carried.

Mr. Paul suggested that on account of safety a bridge should be built on Cuyahoga st., across the Little Cuyahoga river. Referred to the Commissioners.

Delegates Named.

The Finance committee reported in favor of sending the Mayor, City Solicitor, City Engineer, one Commissioner, the Sanitary Police and such members of Council as could attend to the convention of the League of Municipalities, to be held at Syracuse, N. Y., from September 19 to 23. Report accepted.

Ordinances.

An ordinance to pay claims for the month of August was passed.

The ordinance to amend section 44 of the city ordinances relating to speed of railway conveyances within the city limits, and which passed second reading at the meeting a week ago, was tabled for another week, owing to the fact that an official of the Northern Ohio Traction company desires to be present when the measure is brought up again.

Reports and Petitions.

Citizens on North Maple st. ask that the C. T. & V. railroad be ordered to build a new bridge on that street.

Citizens complain that the electric lights on corner of High and McCoy sts., and corner of High and Iron sts. do not burn all night. Referred to Commissioners.

A telephone pole, reported to be in the middle of the sidewalk on Wooster st., corner of High and Iron sts. do not burn all night. Referred to Commissioners.

Chief of Police Harrison reported 106 arrests during the past month.

Time asked by the Street Committee in the matter of widening Gale street.

Time asked by the Sewer and Water Course committee in the matter of arranging a system for the construction of sewers. The Committee will meet with the City Commissioners in the Council Chamber Thursday evening to discuss the matter.

Time asked by the City Solicitor and Engineer in the matter of preparing a resolution for improving Alley st.

Citizens want telephone pole removed from the sidewalk on East Exchange st., referred to the Commissioners.

Citizens want some sewer pipe, piled up on East Exchange st., removed. Referred to the Commissioners.

Some loose brick, limbs of trees and other rubbish reported to be on East Exchange st. Referred to Commissioners.

DROPPED

Dead at the Door of Neighbors Home.

Annual Reunion of Lockert Family at Richfield—Barn Burned.

RICHFIELD, Sept. 6.—Mrs. Forsythe, a resident of Richfield Center, dropped dead Saturday evening about 6 o'clock at the door of Mrs. Eymann's, a neighbor. Death was due to hemorrhage of the lungs. Her husband lives in Cleveland.

Mr. Chapman was still very low with cancer of stomach.

Samuel Clark's barn burned Friday. Nothing was saved. His horse, carriages and hay were destroyed. It is not known how the fire originated. Mr. Clark was badly burned trying to save his property.

Mrs. Reed's new house at the Corners is nearly completed.

Mrs. Will Lewis of New York returns to her home this week. She has been spending her vacation with her parents, Mr. and Mrs. O. M. Oviatt.

The third annual reunion of the Lockert family was held on East hill at the home of E. D. Hancock Friday. There were 80 present, all descendants of grandfather James Lockert.

There was one great great-grandchild present—the infant child of Park Welton, who lives at 409 Locust street, Akron. Grandfather Lockert came to Richfield in 1833 and located at the northeast corner of Richfield township. He was a wilderness. By his own efforts he accumulated quite a fortune. He lived to the age of 90 years. The dinner was served under a very large tent in the yard.

Among the prominent guests were Mr. and Mrs. F. N. Wilcox and Mr. and Mrs. Dr. Hanson of Cleveland, and Mrs. Sidney Powers of Osborn.

An interesting program was carried out. It consisted of violin solos, singing, select readings, and an address by F. N. Wilcox, a poem by Dr. Hanson, and closed by singing two favorite hymns of grandfather Lockert's. The reunion will be held next year, September 2, at Lorain Lockert's.
